

Updated Health/Illness Guidelines 2021-2022 School Year

Children are not permitted at school with any of the following symptoms....

1. Fever of 100.4 degrees or higher. The child must have a doctor's note to return following a fever illness. If you do not have a doctor's note, your child may not return for 10 days or until they are fever-free for 72 hours without the use of a fever reducer, whichever is longer.
2. If your child has a runny nose, congestion/or cough and has not been previously diagnosed by a doctor. A doctor's note is required to return to school.
3. Vomiting within 24 hours.
4. Diarrhea- 2 or more watery stools in 24 hours.
5. Undiagnosed rash lasting more than 24 hours.
6. Eye discharge or pink eye. Child can be readmitted after medical diagnosis to rule out bacterial or viral infection or 24 hours on antibiotic treatment.
7. Fatigue that prevents participation in regular activities.
8. Head Lice-may not return until treatment is effective.
